

MICHELLE M. RAMEY, Ph.D.**CURRICULUM VITAE**

Contact Information

Address: Department of Psychological Science E-mail: mmramey@uark.edu
 University of Arkansas
 Fayetteville, AR 72701

Research Interests

My work focuses on understanding episodic memory by investigating its interactions with other cognitive processes--particularly visual attention and semantic knowledge--in general and in aging. I primarily use eyetracking, novel task design, and computational modeling.

Academic Positions

2024 – Present	Assistant Professor of Cognitive Psychology at the Department of Psychological Science, University of Arkansas, Fayetteville
2023 – 2024	NSF SPRF Postdoctoral fellow at the Department of Psychological Science, University of Arkansas, Fayetteville
2021 – 2023	Postdoctoral researcher at the Department of Psychological Science, University of Arkansas, Fayetteville

Education

<u>Degree</u>	<u>Year</u>	<u>Institution</u>
Ph.D. in Psychology	2021	University of California, Davis
M.A. in Psychology	2018	University of California, Davis
B.A. in Psychology	2016	University of California, Berkeley

Extramural Grants**Awarded**

National Science Foundation	9/01/23 – 9/01/25
SPRF: <i>Taking a Computational Approach to Understanding Schema-Memory Interactions</i>	
Role: PI	
Amount awarded: \$160,000	
National Institutes of Health – National Institute on Aging (NIA)	9/30/23 – 9/30/26
F32: <i>How prior knowledge impacts episodic memory deficits in aging</i>	
Role: PI	
Impact Score: 16	
Amount awarded: \$210,372	

Unfunded Grants Sought

National Science Foundation

9/01/22 – 8/31/24

SPRF: *Determining the role of creative processes in familiarity-based associative memory*

Role: PI

Score: "Competitive"

Impact factor (2019): 3.1

Awards and Honors

2025	University of Arkansas Honors College Equipment Grant (\$5000)
2025	University of Arkansas Honors College Research Grant (\$5500)
2025	Fulbright Summer Research Stipend (\$5000)
2021	Psychonomic Society Graduate Conference Award (\$1000)
2021	Dissertation Fellowship award (\$13,755)
2016	Graduated <i>summa cum laude</i>
2012 – 2016	Regents' and Chancellor's scholarship
2012 – 2016	Dean's list

Selected Presentations

Invited Talks (in-person)

Ramey, M.M. (2026, November). *Modeling eye movements to probe memory processes*. Invited talk at the annual satellite meeting of the Society for Mathematical Psychology, San Diego, CA.

Ramey, M.M. (2026, October). *Rational reconstruction dynamics drive age-related increases in schema effects on memory*. Invited symposium talk at the annual meeting of the Memory Disorders Research Society, Toronto, ON, Canada.

Ramey, M. M. (2026, April). *Are memory distortions rational? Testing Bayesian models of reconstructive memory*. Behavior, Brain, & Cognition series, Department of Psychology, Washington University in St. Louis, St. Louis, MO.

Ramey, M. M. (2026, April). *How our expectations bias our eyes and memories*. Annual colloquium series, Department of Psychology, Rutgers University, Newark. NJ.

Ramey, M. M. (2025, April). *The making of a memory: How your brain reconstructs the past*. Butterfield Trails Village, Fayetteville, Arkansas.

Ramey, M. M. (2023, February). *How schemas and memory interact to influence memory decisions in older adults*. Psychology department, University of Missouri.

Ramey, M. M. (2023, January). *How schemas influence our memories*. Student Neuroscience Organization, University of Arkansas.

Invited Talks (virtual)

Ramey, M. M. (2025, February). *How schemas and episodic memory interact during retrieval: Bayesian interactions in memory decisions and attentional guidance*. Tompary Lab, Drexel University.

Conference Presentations (Talks)

- Ramey, M.M.** & Shields, G.S. (2026, November). *Eye movements reveal a threshold process in episodic memory*. Talk at the annual meeting of the Psychonomic Society, San Diego, CA. (In-person)
- Ramey, M.M.** & Shields, G.S. (2026, July). *Eye movements reveal a threshold process in memory*. Talk at the annual meeting of the Society for Mathematical Psychology, Montreal, Québec, Canada. (In-person)
- Ramey, M. M.** & Lampinen, J. M. (2025, November). *How prior knowledge biases memory: Eye movements reveal accurate episodic memory traces even when responses are schema-biased*. Talk at the annual meeting of the Psychonomic Society, Denver, CO. (In-person)
- Ramey, M. M.**, Shields, G. S., & Lampinen, J. L. (2024, November). *The role of schema precision in schema-relevant episodic memory: Do more precise schemas lead to more biased memories?* Talk at the annual meeting of the Psychonomic Society, New York, NY. (In-person)
- Ramey, M. M.**, Henderson, J. M., & Yonelinas, A. P. (2020, November). *Distinct patterns of visual sampling in perceiving and sensing-based change detection*. Talk at the annual Bay Area Memory Meeting, Palo Alto, CA. (Virtual)
- Ramey, M. M.**, Yonelinas, A. P., & Henderson, J. M. (2017, August). *Contextual cueing and memory for scenes: Eye movements dissociate conscious from unconscious memory*. Talk at the annual meeting of the Cognitive Science Association for Interdisciplinary Learning, Hood River, OR. (In-person)

Conference Presentations (Posters)

* graduate mentee

- Terry, B.A.,* Shields, G.S., & **Ramey, M.M.** (2026, November). *How Inhibitory Demand Impacts Memory Encoding*. Poster presented at the annual meeting of the Psychonomic Society, San Diego, CA.
- Shields, G.S. & **Ramey, M.M.** (2026, July). *Look at this: Eye movements can account for perceptual interference and a shrinking spotlight*. Poster presented at the annual meeting of the Society for Mathematical Psychology, Montreal, Québec, Canada.
- Terry, B.A.* & **Ramey, M.M.** (2025, November). *Prediction error improves memory for the source of the error, but not the broader scene: Examining schema congruency effects on recognition*. Poster presented at the annual meeting of the Psychonomic Society, Denver, CO.

- Shields, G.S. & **Ramey, M.M.** (2025, November). *Look at this: Eye movements can account for perceptual interference and a shrinking spotlight*. Poster presented at the annual meeting of the Psychonomic Society, Denver, CO.
- Ramey, M. M.** & Shields, G. S. (2023, October). *Do schemas and episodic memory cooperate or compete to influence memory decisions? A leaky competing accumulator modeling approach*. Poster presented at the annual meeting of ARMADILLO (Southern conference for cognitive psychology).
- Ramey, M. M.** & Shields, G. S. (2022, November). *Understanding the underlying dynamics of schema-memory interactions using computational modeling*. Poster presented at the annual meeting of the Psychonomic Society.
- Ramey, M. M.** & Zabelina, D. L. (2022, May). *Creative people use memory differently: Divergent thinking modulates how episodic memory is combined with semantic knowledge*. Poster presented at the annual meeting of the Society for the Neuroscience of Creativity.
- Ramey, M. M.** & Zabelina, D. L. (2022, April). *Divergent thinking modulates how episodic memory is combined with semantic knowledge*. Poster presented at the annual meeting of the Cognitive Neuroscience Society.
- Ramey, M. M.**, Henderson, J. M., & Yonelinas, A. P. (2021, November). *Schema knowledge and episodic memory trade off to influence spatial memory*. Poster presented at the annual meeting of the Psychonomic Society.
- Ramey, M. M.**, Shields, G. S., & Yonelinas, A. P. (2018, May). *Dietary Patterns in the Wild: Fiber and Fat Consumption Relates to Memory and Executive Function in Older Adults*. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- Ramey, M. M.**, Shields, G. S., & Yonelinas, A. P. (2018, May). *Don't forget your vegetables: Markers of plant-based diets predict memory and executive function in older adults*. Poster presented at the Annual Psychology Conference at the University of California, Davis, Davis, CA. Won 2nd place in the presentation competition.
- Ramey, M. M.**, Yonelinas, A. P., & Henderson, J. M. (2017, November). *Contextual cueing and memory for scenes: Eye movements dissociate conscious from unconscious memory*. Poster presented at the annual meeting of the Psychonomic Society, Vancouver, British Columbia.
- Ramey, M. M.**, Yonelinas, A. P., & Henderson, J. M. (2017, November). *Conscious and unconscious memory differentially alter eye movements: Contextual cueing with real world scenes*. Poster presented at the annual meeting of the Object Perception, Attention, & Memory conference, Vancouver, British Columbia.
- Ramey, M.M.**, Sazma, M.A., & Yonelinas, A.P. (2017, June). *The relationship between caloric intake and stress response*. Poster presented at the Mind and Brain Poster Day at the Center for Mind and Brain, Davis, CA.

Ramey, M. M., Sazma, M. A., & Yonelinas, A. P. (2017, May). *The relationship between caloric intake and stress response*. Poster presented at the psychology departmental conference at the University of California, Davis, Davis, CA.

Ramey, M. M. & Jacobs, L. F. (2016, May). *Personality in coevolved species: Olfactory tracking by search dogs and their human handlers*. Poster presented at the psychology departmental poster session at the University of California, Berkeley, Berkeley, CA.

Teaching and Mentoring

Courses Taught

Graduate seminar in learning, memory, & cognition (Fall 2026)

Perception (Fall 2024, Fall 2025, Fall 2026)

Cognitive Psychology (Spring 2025, Fall 2025, Spring 2026)

Invited Lectures

Research Practicum guest lecture: "How to write competitive grants" (Spring 2025, Spring 2026)

Student Mentoring

Brody Terry, PhD Student (2024 – Present)

Caden Fowler, PhD student (2026 – Present)

Vincent Baxley, Honors Thesis student (2026 – Present)

Tessa Powell, Honors Thesis student (2026- Present)

Sarah Waller, Honors Thesis Student (2024 –2026) – honors thesis achieved Summa

Professional Service

Editorial board member:

Cognition (June 2025 – Present)

Ad hoc reviewer for journal articles:

Behavior Research Methods

Behavioral Brain Research

Cognition

Cognitive Processing

Consciousness & Cognition

Developmental Psychology

Journal of Experimental Psychology: General

Journal of Experimental Psychology: Learning, Memory, & Cognition

Memory

Memory & Cognition

Nutrients

PeerJ

Psychiatry Research

Psychology, Crime, & Law

Psychological Research
Psychonomic Bulletin & Review
Scientific Reports
Trends in Cognitive Sciences

Ad hoc reviewer for grant submissions:

NSF (Perception, Action, and Cognition; PAC)
Israel Science Foundation

Skills

Programming:	R, MATLAB, Python, Julia, jsPsych (JavaScript), HTML & CSS
GUI Software:	SR Research ExperimentBuilder, Adobe Photoshop, Qualtrics (and embedding JavaScript within Qualtrics)
Analytic Expertise:	Eyetracking analysis, computational cognitive modeling, cluster analysis, multilevel models, receiver operating characteristics, dimensionality reduction, classification using neural networks and random forest models
Misc. Skills:	Eyetracking, EEG, scene stimuli creation (using MATLAB and Photoshop) and norming, ELISA
